

## 16th China International Lead and Zinc Conference

Beijing, China

30 October - 1 November 2013

16th China International Lead and Zinc Conference, which is hosted by Chinese Nonferrous Metals Industry Association (CNIA) and organized by Beijing Antaike Information Development Co., Ltd. (Antaike), will be held on 30 October- 1 November 2013 in Beijing, China.

Since its inception in 1999, the annual China International Lead and Zinc Conference has been successfully held in 15 sessions, and has become the largest conference within global Lead and zinc industry. In 2012, the attendees of the conference exceeded 1,000 people, including government officials, manufacturers, consumers, traders, research institutions, consulting groups, etc. This year, the attendees will be more than 1,000 people too. If you would like further information on attending and/ or sponsorship opportunities in 2013, please don't hesitate to contact us.
